

Hello

We would be interested in having someone from your church council participate at a roundtable discussion we are hosting of local faith communities regarding local partnership opportunities. The geographical area we are looking at is the Carleton Heights/Parkwood Hills greater area bounded by Baseline Road (north), The Rideau River (east), Colonnade Road (south) and Merivale Road (west).

The meeting is at our church, 740 Melfa Crescent, Tuesday, March 3. We are looking at either a 9:30-11:30 am or a 7:00-9:00 pm meeting. Below are the questions we are asking the participants to consider as part of our discussions.

- Â· How would you describe the community of Carleton Heights/Parkwood Hills?
- Â· Where do you see the community in 5 years? 10 years?
- Â· What needs are not currently being met in the community?
- Â· What services do you anticipate will be needed in the future?
- Â· What community opportunities would your congregation like to see developed?

If one or two people from your council would be available to participate, it would be appreciated. Therefore, if you could please indicate by February 20 (a) whether someone from your church will be attending and (b) whether a morning and/or an evening meeting would be preferable.

For more information, I can be reached by this email address or at 613-228-0526.

Sincerely

Jack Wilson
