Weekly Newsletter

May 14, 2021

Dear friends,

Welcome to the fifty-ninth edition of our weekly newsletter. We are continuing the weekly newsletter for the foreseeable

future.

Shout Outs

If you would like some special occasion like an anniversary or birthday acknowledged in the Sunday service, Fr Julian will be more than happy to announce it. However, it must be into either Father Julian or the office by **MONDAY EVENING** for it to be included in the service for the following Sunday.

Video Services

Morning Prayer for May 16 should arrive in your inbox on May 15 at 12 pm.

Many, many thanks to Alex Dee who is doing the music editing for this endeavour.

Bible Study Resumes

The Zoom Bible Study led by Fr Julian will resume on May 18 and continue until the summer. Please contact Fr Julian to let him know you are interested.

Pentecost

Many times, Pentecost falls on a long weekend and as a result some of the celebrations are rather subdued. This year, again, Pentecost, falls on the long weekend but as we are doing a virtual service, we can celebrate in great style together.

Unfortunately, this requires advanced participation from YOU.

We are planning a service for Pentecost which will feature some of our young people.

We are asking **everybody** to create a 30 second video to show what Pentecost means to them. In the past we have waved streamers, let go of balloons, showed

doves...whatever says Pentecost to you. You could even dress in red and wave. The sound of the videos will not be used.

I encourage you all to submit, it would be lovely to see everyone's smiling face. If you have small children or grandchildren, you could video them waving. There will be no list of names for any participants.

You may put your videos [here](#) or you put them on your own cloud storage and share them with joybowerman16@gmail.com by 11 pm **May 16**. If you need help to submit, just contact the office. It is one of the skills that has improved significantly in the last year.

Prayers for Stephanie

Stephanie McWatt, our theological student for the past year, is attending (virtual) ACPO (Acceptance Committee for Postulants for Ordination) next weekend. She asks for our prayers as she goes through this (stressful) process. She will be in interviews today and tomorrow. Let us prayerfully support Stephanie as she takes further steps on the road to ordination.

Virtual Concert in Support of Algonquin College Ministry

There will be a virtual concert, Make a Joyful Noise, on Friday, May 21 at 7:30 in support of Campus Ministry at Algonquin College, an ecumenical Christian chaplaincy serving the young adults attending the Ottawa, Pembroke, and Perth campuses. The performers are from a variety of denominations and local churches. St Mark's is contributing some of our recorded music to the venture. It is a Zoom event, so prior registration is required at wilsonjohns@rogers.com or georgekwari@gmail.com

Live streaming our Services

With the approval of Parish Council, a local company has been hired to install live-streaming at St. Mark's. Work is underway and as we get closer to the implementation date, more information will be provided to you.

May 14, 2021

With the recent provincial and diocesan restrictions, all Ottawa churches are strongly encouraged to record services as much as possible from our own homes. Currently, only 2 people at a given time are recording in the church, mainly Joy Bowerman and Ariane Dind and at other times, Fr. Julian and Joy Bowerman.

When these restrictions are lifted, St. Mark's Eucharistic Sunday Services will be sent over the Internet in real time. Everyone with internet will be able to view the Service as it takes place. We are also looking into phone-ins for those people without internet.

The Shape of Parish Ministry Consultation (SPMC)

During the evening of April 20, 2021, Suzanne Bisson, Georgia Roberts, Father Julian and I joined a Diocesan Zoom meeting that launched Bishop Shane Parker's Shape of Parish Ministry Consultation (SPMC). This Diocesan-led project will conclude in October 2022 with a report and recommendations to Bishop Shane at the Diocesan Synod.

There are 4 stages to the consultation:

Stage 1 Ending October of 2021

A draft parish profile will be developed by the SPMC team for each parish, making use of 10 years of the parish's statistical returns data, an approximate age distribution of the parish and an interview with a group of parish leaders about various aspects of the parish.

Stage 2 Ending February 2022

All parish profiles will be made available for analysis by leadership in each parish, assisted by the SPMC team, to determine the fit of a particular parish profile with neighboring parishes.

Stage 3 Ending August 2022

Proposals for (re)shaping parish ministries will be developed through consensus-building discussions with neighbours, and then gathered by the SPMC team.

Stage 4 Ending with Synod in October 2022

A set of integrated proposals will be submitted and formally recommended to Bishop Shane at Synod.

There is much to be done to take our part in the future shape of the Diocese. This is not a voluntary process but a key element of Bishop Shane's vision for the future of the Ottawa Diocese.

More information about the aims of SPMC is available in Bishop Shane's charge to Synod 2020 [Charge to Synod](#) and in his Easter message ([Easter Message](#)).

Bishop's Gala

This year the Bishop's Gala will be held on May 27 at 7 pm in the virtual world.

They have one national and one international beneficiary, both with a mother/child focus to help vulnerable children and their families in Africa and the Middle East: All Mothers and Children Count COVID-19 Extension Fund (an initiative of PWRDF) for which Global Affairs Canada will match donations 6:1, and Virtual Therapy for Disabled Children in our partner diocese of Jerusalem at the Princess Basma Center.

You don't need a ticket to watch the show, but if you buy one, our team will hand-deliver a swag bag of goodies to you (within diocesan limits) to enjoy during the show and you will get early access to our silent auction. Donations of any size are of course also welcome.

Tickets are \$75 and can be purchased here: <https://bishopsgala2021.eventbrite.ca>

Virtual Tulipathon

The Virtual Tulipathon 2021 campaign is now officially open! Due to COVID-19, our annual walkathon will be held virtually on Sunday, May 30. We're asking our supporters to take a 3K solo stroll or household hike at 3 PM in their own neighbourhoods while maintaining physical distancing.

We have a few new additions to our virtual walk this year.

Face masks: We're offering a complimentary commemorative 2021 Tulipathon face mask to every walker who registers to fundraise online. (If you'd rather not register online, that's alright... just call us at 613-686-1825 to let us know you intend to walk/fundraise

using a traditional pledge form only, and we'll mail you a mask.) We're hoping everyone will wear this mask with pride during their walk on May 30, and take pictures to document their solo stroll or household hike. (Don't forget to email us your pictures on the day of Tulipathon, or better yet, post to social media with the hashtag #tulipathon2021.)

Matching gift from Hobin Architecture Inc.:

Hobin Architects, who designed our 98-unit property, the Haven, out in Barrhaven, has provided a matching gift opportunity for Tulipathon. They'll double up to a total of \$10,000 any and all donations from individuals/companies that have never contributed to MHI before. Thank you Hobin Architecture for your generous gift as you work hard to attract new donors to the cause!

As always, 100% of all Tulipathon donations go to our rental housing subsidies program for our tenants. Thanks to everyone for your ongoing support of Tulipathon and Multifaith Housing Initiative! Stay safe and healthy, and take care!

For more information, please visit multifaithhousing.ca/tulipathon.

Best wishes,

MHI staff

Backgrounds

Thank you to those who have sent in pictures this week. It is so nice to see the gardens come alive...and lovely to have a stock of photos to choose from. If you do not see your photo this week, it may be held in reserve for another week.

Please make sure the pictures are in landscape orientation or they don't fill the screen. I

May 14, 2021

can't guarantee I will use every picture but I do enjoy every picture. Thank you to all who have sent photos.

Donations to the Church

We are extremely fortunate at St Mark's that there are a number of people who use Pre-Authorized Remittance (PAR). If you are not on PAR, we would encourage you to continue your donations. Of course, putting a cheque in the mail is always a great option for getting your donation to us. If you wish to make a donation by credit card, you may do so at CanadaHelps.

<https://www.canadahelps.org/en/dn/47820>.

You will have to remember when you go to do your taxes for 2020 where you have put your receipts from CanadaHelps. If you cannot find them, contact CanadaHelps and they will be happy to issue duplicate receipts. All money donated will be put into the appropriate income category when it comes to us.

Contacting the Church

You may contact the office at 613-224-7431 or stmarks@stmarksottawa.ca. Messages are being monitored and the business of the church is continuing, albeit remotely.
