The Thousand Doves Project

On behalf of the Anglican Diocese of Ottawa's refugee ministry, thank you for your generous support for The Thousand Doves Project! We write to update you on this special initiative and the planning for the installation of the doves at Christ Church Cathedral.

Thanks to our dedicated team of dove-makers across the Diocese (and beyond), some 1,300 paper doves have been created in all shapes, sizes and colours! It was great fun to learn how to make the origami doves, with Zoom workshops and lots of laughter!

And with gratitude to all the project's sponsors, The Thousand Doves Project has also surpassed its fundraising goal! This is a testament to how much people in our Diocese value the life-giving ministry of refugee sponsorship, and the funds will help our ministry be even stronger!

But an important part of The Thousand Doves Project is the inspiration of seeing the doves take flight at the Cathedral. As you know, while we had planned to launch the doves at the Feast of Pentecost this Sunday, at this time of COVID restrictions, there would be no opportunities for viewing the installation. So even though the installation has been planned, we have decided to delay the launch until such time as the peace and hope the doves represent can be appreciated in person.

But don't worry. The doves are comfortably nesting and they will fly to Christ Church Cathedral in the not-too-distant future! We will share more news as it becomes available.

Thank you once again for helping spread the wings of hope in support of the Diocese of Ottawa's refugee ministry!

Debra Dynes Family House:

Until the Diocese re-opens our church we are not able to accept in person donations for DDFH. At this time I would like you to consider making a financial donation to help two very worthy resources within the Debra Dynes community. Their FOOD BANK continues to be one of the most needed and accessed services with a count averaging 2700 people monthly.

Secondly, SCHOOL SUPPLIES are needed in the community. I hope to collect school supplies in person in the church parking lot in

May 28, 2021

August (if the church is not open by then.) In the meantime a financial donation sent to DDFH for school supplies would be most welcome and appreciated.

Donations are tax deductible from the donor's perspective. Please mail your cheque directly to : DEBRA DYNES FAMILY HOUSE, 955 Debra Ave., Unit 85 Ottawa, On., K2G 0J5. Make sure that your name and address are on the cheque so that you will receive your tax receipt. You may also donate through CanadaHelps [here](#).

Thank you for your continued support.

Virtual Tulipathon

The Virtual Tulipathon 2021 campaign is now officially open! Due to COVID-19, our annual walkathon will be held virtually on Sunday, May 30. We're asking our supporters to take a 3K solo stroll or household hike at 3 PM in their own neighbourhoods while maintaining physical distancing.

We have a few new additions to our virtual walk this year.

Face masks: We're offering a complimentary commemorative 2021 Tulipathon face mask to every walker who registers to fundraise online. (If you'd rather not register online, that's alright... just call us at 613-686-1825 to let us know you intend to walk/fundraise using a traditional pledge form only, and we'll mail you a mask.) We're hoping everyone will wear this mask with pride during their walk on May 30, and take pictures to document their solo stroll or household hike. (Don't forget to email us your pictures on the day of

Tulipathon, or better yet, post to social media with the hashtag #tulipathon2021.)

Matching gift from Hobin Architecture Inc.:

Hobin Architects, who designed our 98-unit property, the Haven, out in Barrhaven, has provided a matching gift opportunity for Tulipathon. They'll double up to a total of \$10,000 any and all donations from individuals/companies that have never contributed to MHI before. Thank you Hobin Architecture for your generous gift as you work hard to attract new donors to the cause!

As always, 100% of all Tulipathon donations go to our rental housing subsidies program for our tenants. Thanks to everyone for your ongoing support of Tulipathon and Multifaith Housing Initiative! Stay safe and healthy, and take care!

For more information, please visit multifaithhousing.ca/tulipathon.

Best wishes,

MHI staff

Backgrounds

Thank you to those who have sent in pictures this week. It is so nice to see the gardens come alive...and lovely to have a stock of photos to choose from. If you do not see your photo this week, it may be held in reserve for another week.

Please make sure the pictures are in landscape orientation or they don't fill the screen. I can't guarantee I will use every picture but I do enjoy every picture. Thank you to all who have sent photos.

Donations to the Church

We are extremely fortunate at St Mark's that there are a number of people who use Pre-Authorized Remittance (PAR). If you are not on PAR, we would encourage you to continue your donations. Of course, putting a cheque in the mail is always a great option for getting your donation to us. If you wish to make a donation by credit card, you may do so at CanadaHelps.

<https://www.canadahelps.org/en/dn/47820>.

You will have to remember when you go to do your taxes for 2020 where you have put your receipts from CanadaHelps. If you cannot find them, contact CanadaHelps and they will be happy to issue duplicate receipts. All money donated will be put into the appropriate income category when it comes to us.

Contacting the Church

You may contact the office at 613-224-7431 or stmarks@stmarksottawa.ca. Messages are being monitored and the business of the church is continuing, albeit remotely.
