Shout Outs

If you would like some special occasion like an anniversary or birthday acknowledged in the Sunday service, Fr Julian will be more than happy to announce it. However, it must be into either Father Julian or the office by **Wednesday noon** for it to be included in the service for the following Sunday.

Livestreaming

The service for Epiphany will be streamed at 10 am on Sunday, January 2. Here are the links for the [service](#) and the [bulletin](#). The service link is also available on the home page of our website: <http://www.stmarksottawa.ca>

The stream is automatically recorded so it can be watched later and I will add captions before the middle of the week – all things being equal. The stream is available to watch immediately. Auto captions appear usually by Monday or Tuesday and corrected captions usually by Wednesday or Thursday.

Bible Study Resumes

There will be teaching sessions via Zoom on Wednesdays at 7 pm beginning January 26. These will be in 2 stages. First, we will study 1 Corinthians followed by Luke's Gospel, seeing that we are in the Year of Luke in the lectionary calendar. As always, you will be sent the material ahead of time

Stage 1: Winter Study
January 26 to February 16

Stage 2: Lenten Study,
March 9 to April 6

Please contact Fr Julian if you are interested.

Vestry reports

It is that time of year!! Our vestry is likely to be at the end of February and again it will be a Zoom vestry. I am asking for Vestry Reports to be submitted to the office by **February 13** which will give me 5 days to pull everything together and the vestry report and agenda will be delivered along with the newsletter of February 18. Early reports are welcomed with open arms. Only groups that were active during 2021 need to submit a report.

Thank you in advance for your timely response. – Joy!

125th Anniversary Lecture Series

On Monday, January 17 at 7:30 PM Rev. Dr. Jason McKinney will deliver the next lecture in the series: “The Church as Commons: A Theological Case for Affordable Housing”

You can attend the lecture by Zoom at this link <https://bit.ly/31xnerL>. The service will also be streamed on YouTube [here](#)

January 14, 2021

Jason is a theological educator, a priest, and longtime resident of Parkdale, Toronto. His work, life, and family are all rooted in the neighbourhood. He is the Incumbent of The Church of The Epiphany & St Mark, Parkdale and an adjunct professor of theology at Trinity College. He was a member of the first community-elected board of the Parkdale Neighbourhood Land Trust, where he served two terms.

At the parish level Jason has leveraged an aging church building to develop a network of value-aligned community partners. Although the congregation is small, the building is generating huge local impact through food security, social enterprise, the arts, and urban agriculture. He is currently working with the congregation to redevelop the church building to create additional impact through affordable housing. At the diocesan level, Jason co-authored a successful synod motion that committed the Diocese of Toronto to an affordable housing plan and he has worked with diocesan staff to develop a learning series on church redevelopment. He is currently working on a book project which elaborates a theology of urban land.

Photo Backgrounds

Now that we are mostly online again, I am looking for photo backgrounds for the weekly services. If we have a particularly beautiful event, I would be happy to add a slide show during the postlude. – Joy!

Office Hours

The office will remain closed until further notice.

Church Directories

The new directories are actually printed. If you wish to arrange to pick up your copy, please contact the office. If you would like an electronic copy, please email the office.

E-Transfers to the Church

We can accept e-transfers to the main church account. We cannot do autodeposit because of the type of account but you may e-transfer money to stmarks@stmarksottawa.ca. You

will be required to give a question. Please either make the answer obvious or email the office and let them know the answer to the question. This option has no cost to the church.

Donations to the Church

We are extremely fortunate at St Mark's that there are a number of people who use Pre-Authorized Remittance (PAR). If you are not on PAR, we would encourage you to continue your donations. Of course, putting a cheque in the mail is always a great option for getting your donation to us. If you wish to make a donation by credit card, you may do so at CanadaHelps.
