Reception at Bahamas High Commission

The acting High Commissioner, Chanelle Brown, hosted a reception on July 15 to celebrate the 49th Anniversary of Bahamian Independence. Fr Julian was invited to give a prayer during the remarks. It was a lovely evening with wonderful food, cooked by Chef Ingrid Brown from Nassau. Fr Julian was delighted to find several Cat Islanders there.

St. Mark's Gardens

Weeders are needed to help in the maintenance of our gardens. If you have any time to spare, please feel free to help with the upkeep. Any questions, see Joan Grayer or email at joangrayer@yahoo.ca

Summer Camps

What's happening at St. Mark's on weekdays in July and August? We welcome back a summer camp run by Carleton Memorial Daycare Centre, they have rented the upper hall for this camp for quite a few years. You will see

some of their cupboards and equipment cleared to the sides of the hall when you come in.

This year they are joined by Peddleheads, which is a group that teaches bicycle skills to children, who enroll for week long camps. Peddleheads have rented the back parking lot, use of the downstairs washroom and also the lower hall if needed on a rainy day.

Lots of smiles were in evidence on the first day of the camps, we wish them good luck and hope they enjoy lots of fun over the summer.

Support for Ukrainian Refugees

Many thanks to all the people who have contributed baking, food vouchers, monetary donations and their time as English teachers for this very worthy outreach program.

There is a roster of names on the bulletin board in the link of parishioners who bring baking for the refugees. Plated baked goods can be brought to the church on Sunday or between 11:45 am and 12:15 pm.

The campus minister has let us know that there are now over 400 Ukrainian refugees enrolled in English as a second language (ESL). Because their space is limited, many are taking ESL virtually. Yesterday Fr. Julian presented \$220 worth of assorted Loblaws and Walmart gift certificates to Yuri, the campus minister for distribution to the refugees who mostly need assistance..

This support to the Ukrainian refugees will continue until August 18. If you want to contribute in any way, please contact Suzanne Bisson at 613-727-5892 or suzanne.m.bisson@gmail.com

Changes to COVID restrictions

The diocese entered into the Green stage of the Pandemic plan on June 1. In its communiqué, it states “It’s increasingly clear the pandemic is not going away any time soon and entering the Green stage, rather than just saying “we’re back to normal”, is an important symbol that we are still operating under the pandemic plan—and an acknowledgment that restrictions could increase again if the virus resurges (as it has the two previous falls, after more open summers).”

At St Mark’s, we will stay in modified yellow (status quo) during the month of June with some gradual changes throughout the month.

- Masks are still required until further notice.
- No Proof of Vaccine required to enter the church as of June 5
- The table at the front of the nave will be removed June 12 and Communion will be

administered at the rail. Distance must be maintained.

- The Peace is status quo until further notice.
- ¼ of the nave will remain with “distancing tape” until further notice.

E-Transfers to the Church

We can accept e-transfers to the main church account. We cannot do autodeposit because of the type of account but you may e-transfer money to stmarks@stmarksottawa.ca. You will be required to give a question. Please either make the answer obvious or email the office and let them know the answer to the question. This option has no cost to the church.

Donations to the Church

We are extremely fortunate at St Mark's that there are a number of people who use Pre-Authorized Remittance (PAR). If you are not on PAR, we would encourage you to continue your donations. Of course, putting a cheque in the mail is always a great option for getting your donation to us. If you wish to make a donation by credit card, you may do so at CanadaHelps.
