The Mysterious Envelope 30

We have been noticing Envelope 30 from 2014 appearing in our collection plates. Unfortunately, it is 10 years ago and the envelope secretary has changed and we have no easy way of checking who had envelope 30 in 2014. If this is you, could you please identify yourself to Karen Roberts, our envelope secretary, by emailing her

Is it time to update your COVID vaccine?

Ottawa Public Health is holding a spring vaccination campaign. It includes the recommendation that people over 65 who have not received a COVID-19 vaccine in the past 6 months should do so now. A typical early-summer spike in cases is expected and research has shown that COVID-19 can still cause serious illness among older adults – even more severe than seasonal influenza. If you are eligible for a COVID shot, vaccines are available at pharmacies and at some neighbourhood health and wellness hubs. More information is available at ottawapublichealth.ca

E-Transfers to the Church

We can accept e-transfers to the main church account. We cannot do autodeposit because of the type of account but you may e-transfer money to stmarks@stmarksottawa.ca. You will be required to give a question. Please either make the answer obvious or email the office and let them know the answer to the question. This option has no cost to the church.

Donations to the Church

We are extremely fortunate at St Mark's that there are a number of people who use Pre-Authorized Remittance (PAR). If you are not on PAR, we would encourage you to continue your donations. Of course, putting a cheque in the mail is always a great option for getting your donation to us. If you wish to make a donation by credit card, you may do so at CanadaHelps.
